

# BLONDES IN ACTION

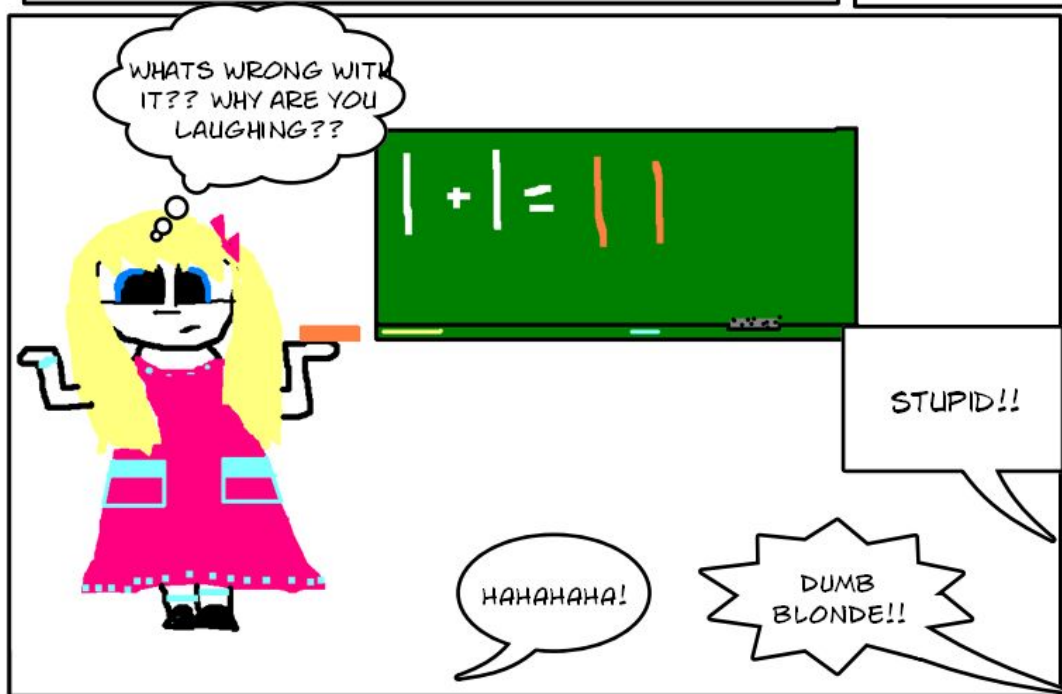

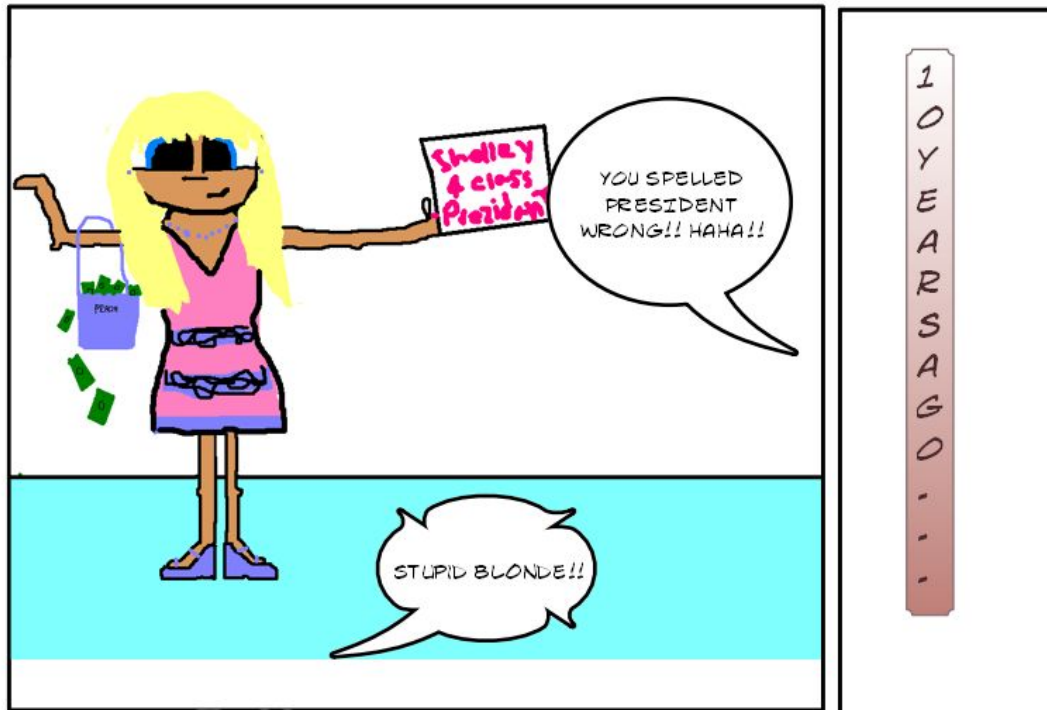

BY: LAUREN HAMMOND

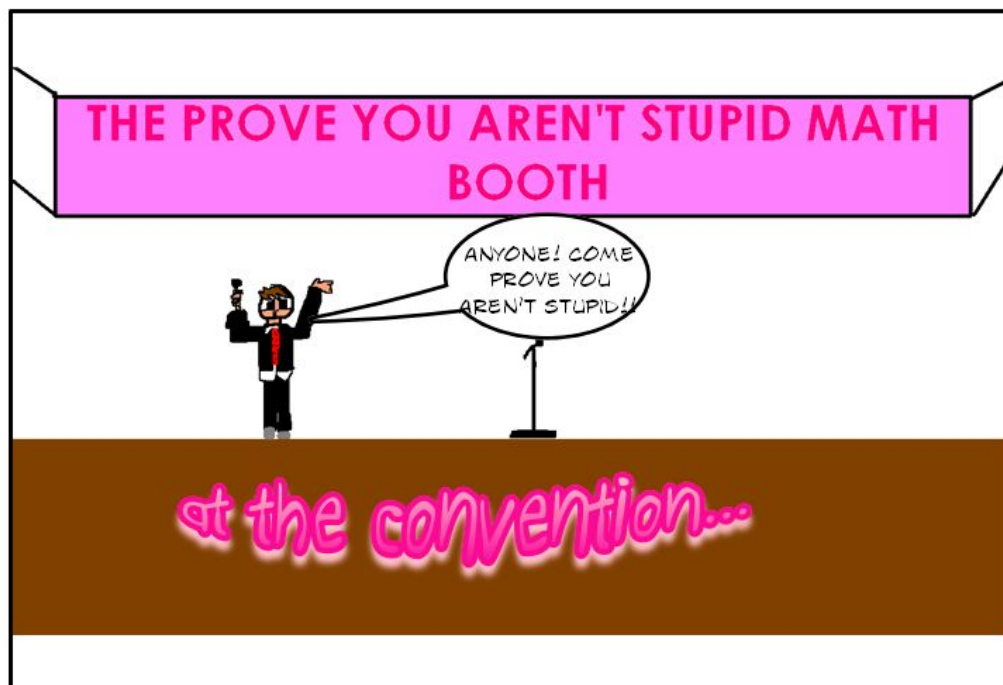

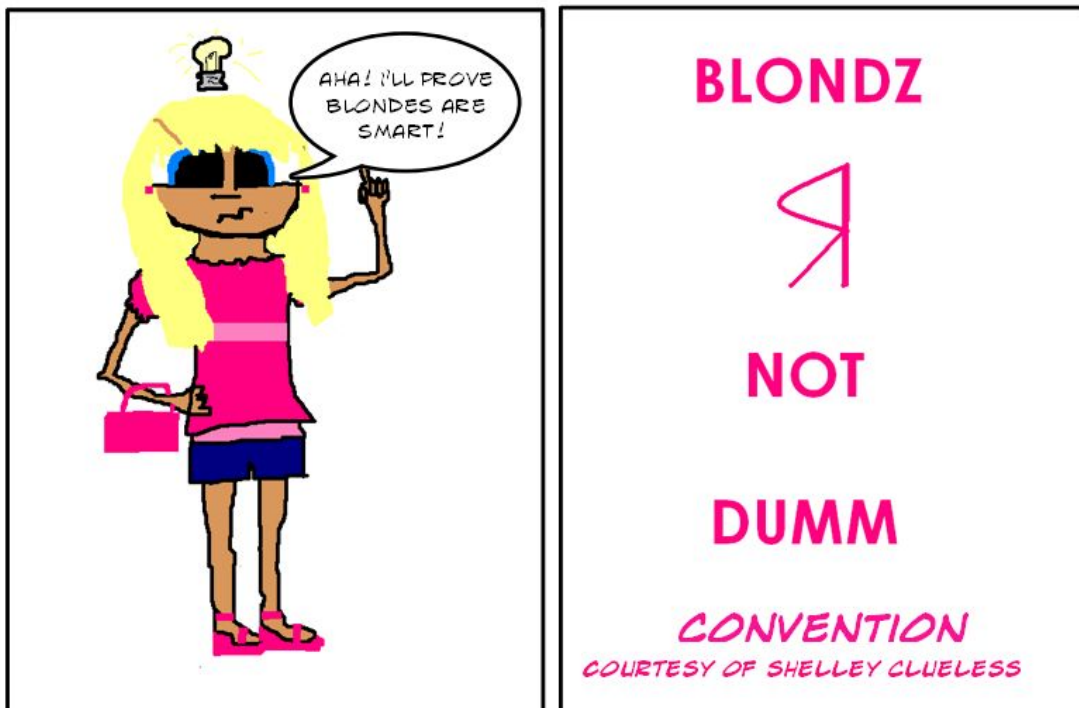

Everyone talks about dumb blondes. Yes this is a stereotype, but it is very much true. This story you are about to read will prove this to you.

There once was a girl named Shelley Clueless, and if you have ever seen the movie "House Bunny", The shelly in this story is nearly as bad as the one in the movie.

All the blonde jokes you have ever heard were most likely created after Shelley Clueless actually did those things.

You know, Scratch and sniff sticker on the bottom of the pool, Shelley did that first, and she went in to the circular room, and looked for the penny she was told was in the corner.

SO THAT RIGHT  
THERE PROVES  
THAT  
BLONDES....WELL....  
THEY REALLY ARE  
"DUMB BLONDES."
